

What's in the landfill?

Who's filling the landfill?

What are Zero-Waste goals?

How can we reach Zero-Waste?

1. Reduce

- Carry a water bottle
- Carry cloth bags
- Refuse straws, extra condiments
- Only order what you want to eat

2. Reuse

- Rechargeable batteries
- Repurpose to-go boxes
- Think "again" before you toss

3. Recycle

- Only shred paper for security
- Compost food waste (not meat)
- Compost paper plates, napkins, tissues
- Mow yard clippings for mulch
